

Marketplace Model Confirmation Message for Consumers Who Didn't Renew by December 15, 2016 – Marketplace Unable to Complete All Automatic Enrollments for the Household

The Marketplace sends this notice to individuals who enrolled in health and/or dental coverage through the Marketplace for 2016, but who couldn't be enrolled in at least one of these plans (or similar plans) for 2016. These individuals didn't return to the Marketplace to update information and enroll in coverage for 2016. In this scenario, the Marketplace sends the Marketplace auto-enrollment mixed successful and unsuccessful confirmation message.

This model shows example information for a fictional family that was enrolled in one or more plans in 2016, and was successfully enrolled in one plan for 2017, but not the other. The first table in this message displays the plan in which they will be enrolled for January 2017. The second table displays the plan in which they will not be enrolled for January 2017. If this family returns to the Marketplace after December 15, 2016 and enrolls in 2017 coverage, they won't get another confirmation message that with their new plan information.

An auto-enrollment unsuccessful message displays a 2016 application ID when no automatic enrollments are completed for the household. Because a 2017 application was generated for this household, this notice displays a 2017 application ID.

2017 Application ID: [number]

Dear Susan Griffith:

This message has important information about the status of your coverage through the Health Insurance Marketplace for next year.

NOTE: If you enrolled in 2017 Marketplace coverage after December 15, 2016, the plan you chose will be effective on February 1, 2017, along with any help with costs that may be available to you. If that's the case, the rest of this message explains the status of your coverage for January.

One or more people on your application weren't automatically enrolled in all 2017 plans. Please see both tables included in this message to get current coverage information for everyone in your household.

You're automatically enrolled in the plan(s) below effective January 1, 2017. Read this entire message. It has important information about why you may want to update your information and check out other plans before Open Enrollment ends on January 31, 2017.

You're enrolled in this Marketplace plan(s) for coverage beginning January 1, 2017

Enrolled individuals	Now enrolled in this plan	Will I get financial help for this plan in 2017?
Susan Griffith	[Plan] Plan ID: [number] Effective January 1, 2017	Yes. A premium tax credit of \$201.00 will be applied to your monthly insurance premium.

In most cases, this is either the same plan(s) (or the one most similar to it) that you enrolled in for 2016 coverage with your health insurance company. If that same coverage isn't offered in 2017, the plan may be with a different health insurance company.

It's not too late to make sure that you're getting the best coverage and costs available to you. If the premium for plans available in your area changed, or your household income or family size is different, you may be able to get different financial help. Visit HealthCare.gov to see if you're eligible for other help with paying for coverage in 2017, compare plans, or switch to a different plan. See details below.

The table above shows information for anyone in your household who was automatically enrolled in 2017 coverage. To view all available plans, confirm your coverage, or make changes, visit HealthCare.gov and log into your Marketplace account or call the Marketplace Call Center.

If you already started updating your Marketplace application for 2017 but didn't finish, you're now enrolled in the plan(s) above, but you can still make changes.

What should I do next?

For each plan shown above, continue to pay your premiums for the new coverage year. Check with your plan to confirm your payment plan if you need to. Return to the Marketplace to compare plans and make sure you're getting the coverage and the financial help you're eligible for in 2017.

Can I get new or different financial assistance?

Maybe. Follow these steps to update your application and see if you qualify for different help in paying for coverage and health services in 2017:

- Log in to your Marketplace account.
- Select “Start a new application or update an existing one,” then select “Go to my applications & coverage.”
- Review your 2017 application and make any necessary updates to your information, like changes to your household income or family size. Submit your application, then view your updated Eligibility Results.
- Compare your coverage options and select a plan. You can choose the plan that we automatically enrolled you in, or a different plan.
- You can also call the Marketplace Call Center to update your application information.

If you're eligible for advance payments of the premium tax credit, it's important to report any changes in household income and family size to the Marketplace to make sure you're getting the most accurate tax credit amount. If you don't report changes, you may owe money back when you file your federal income taxes. If you use advance payments of the premium tax credit to help pay for your Marketplace premium, you must file a tax return to report these payments.

Can I choose a different plan?

Yes. Make sure the plan you'll be enrolled in for 2017 is the right one for you. During the Open Enrollment Period from November 1, 2016 - January 31, 2017, you can shop in the Marketplace to find a plan that meets your needs for the new coverage year. After January 31, 2017, most people can't enroll or make changes to their plan unless they qualify for a Special Enrollment Period. Otherwise, the next Open Enrollment Period will start in late 2017, for coverage beginning as early as January 1, 2018.

To pick a different plan during Open Enrollment:

- Log in to your Marketplace account and select your 2017 application.
- Click on “My Plans & Programs,” then click the “Change Plans” button.
- You can also call the Marketplace Call Center to pick a different plan.
- Remember that you can also pick a different plan after updating your application. You'll be able to view all available plans, and you're more likely to get the right help with costs, if you're eligible.

If you pick a different plan, you'll still continue to be covered in the plan(s) shown above beginning January 1, 2017. Your new plan start date depends on the date you make the change during Open Enrollment.

Be sure to continue paying your premiums. If you have questions, visit HealthCare.gov or call the Marketplace Call Center.

IMPORTANT: You weren't automatically enrolled in this Marketplace plan(s). As a result, you'll no longer have the coverage shown below beginning January 1, 2017.

Individuals	No longer enrolled in this plan	What happened?
Susan Griffith	[Plan] Plan ID: [Number]	Your health insurance company no longer offers this type of plan. Visit HealthCare.gov to get coverage for 2017.

The Marketplace tried to enroll this person (or these people) in all of the same coverage for 2017, but unfortunately wasn't able to confirm this enrollment. However, you can still apply for Marketplace coverage for 2017.

Does the first table in this notice tell you that you were enrolled in at least 1 plan for 2017?

If your household was enrolled in more than one Marketplace plan in 2016, it's possible that you were automatically enrolled in one but not all of your plans for 2017. To be sure that you stay covered:

- Log in to your Marketplace account and select your 2017 application, if you have one.
- Click on "My Plans and Programs" to see which plan(s) you're enrolled in for 2017.
- If you still need to enroll in coverage, select "Start a new application or update an existing one" to view your application, make changes, and follow the steps to enrollment.

If you don't already have a Marketplace application for 2017, follow the steps above to start one. You can also call the Marketplace Call Center to check your coverage or pick a different plan.

Remember: You and anyone in your household may owe a fee each year that you don't have qualifying health coverage for 3 months or more.

Coverage changes will take effect based on the date:

- If you submitted your 2017 Marketplace application and enrolled in 2017 coverage **by December 15, 2016**, the coverage you chose is effective January 1, 2017.
- If you submit your 2017 Marketplace application and enroll in 2017 coverage between **December 16, 2016 - January 15, 2017**, the coverage you choose will be effective February 1, 2017.
- If you submit your 2017 Marketplace application and enroll in 2017 coverage between **January 16 - January 31, 2017**, the coverage you choose will be effective March 1, 2017.

If you're trying to enroll after **December 15, 2016**, but you need coverage that starts on **January 1, 2017**, call the Marketplace Call Center to see if you qualify for a Special Enrollment Period.
